New Home. New Name. Same Premier Team.

Our new office is located in the  
*Olaya Towers*

## STATE OF THE ART OFFICE

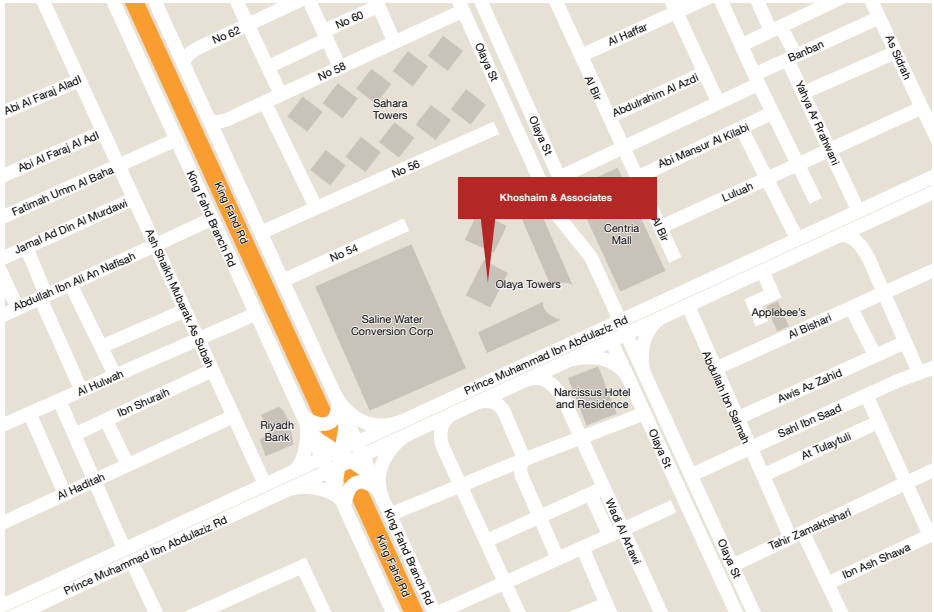

We have moved to the heart of the business district of Riyadh, occupying a full floor office in the newly constructed Olaya Towers, complete with state of the art equipment and conference rooms. Our multimillion Dollar investment in the office is to ensure that a platform of the best quality is provided to our lawyers, staff, and clients, and to allow for continued delivery of the best possible legal services and on-site visit experience.

# Our new identity is *Khoshaim & Associates*

---

Our new name “Khoshaim & Associates” better highlights our size and entrepreneurial spirit. In the past three years, Zeyad S. Khoshaim Law Firm quintupled in size and we thought that our new name should reflect this. Our team includes leading partners, counsels, associates, and staff who cover a wide variety of sectors and practice areas. Our team embodies the characteristics of a start-up with the drive to keep going and see things through. Our team members are innovative, are in-tune with their passion, and optimistic about the practice. These characteristics translate to having a great working atmosphere and client service, and a constant drive to develop new solutions that work for our clients and for the legal industry as a whole.
